

FREE SUPPORT for Small and Medium Enterprises

Global Action Plan's Small Business Programme provides FREE expert environmental advice for SMEs in London. You'll receive specialist support, tailored to your organisation's needs.

We can help your business:

Reduce running costs

Manage your carbon footprint

Reduce your environmental impacts:

- energy use
- waste and recycling
- sustainable procurement
- water use
- transport

We can also provide low-cost training to implement an environmental management system (EMS)

For more details on the programme, or to chat to an advisor call **020 7841 5153** or email businesssupportlondon@globalactionplan.org.uk

GlobalActionPlan
creating the climate for change

How it works

You'll need to allocate a minimum of 2 days of your time during the process.

Phone Induction

On-site/Phone Review

Planning Meeting

Ongoing Support

Workshops & Seminars

Tells you everything you need to know about the programme

An environmental review at your premises or over the phone

Discuss and map out actions you are going to take

We are around to offer advice and help, and to assess your progress

We also offer training workshops and information events

Are you eligible?

< 250
employees

an organisation with fewer than 250 staff

located in any London borough

want to reduce your CO₂ and save money!
