Roll-In Modular Blast Freezer/Chiller

Blast freezer/Chiller- Williams Roll-in Modular

Key Features:

- Blast Freeze 100kg +90 degrees celcius to -18 degrees celcius in 240 minutes
- High quality stainless steel 304 grade
- Designed for effective and efficient performance in 32 degrees celcius and 43 degrees celcius ambient environments
- Easy to programme. 1-2-3 state of art control panel with built in alarms – 3 simple steps to initiate blast cycle
- 3 core food temperature probes for simple operation, accurate measurement and control
- designed to accommodate 2/1 standard gastro norm or combi-oven trolleys
- Blast Freeze and storage modes with automatic switching
- Environmentally friendly 90mm ODP Zero polyurethane foam injected insulation for excellent thermal efficiency
- Easily accessible evaporator and fans to facilitate servicing and cleaning, with coated oils to prevent corrosion for increased hygiene, durability and longer life
- High velocity fans and large surface area evaporator for even chilling and efficient operation
- Automatic defrost at the end of every blast cycle or every 6 hours ensuring efficient and effective performance
- Automatic switching to storage mode at -18 degrees celcius at the end of each cycle offering additional storage

- Condensate Pump
- External Ramp
- Weather Proof housing
- HACCP compliant

Item specifics

Type:	Freezer	Type 2:	Blast freezer
Installation:	Free Standing	Brand:	Williams
Condition:	Used	Colour:	Silver
Freezer Type:	Upright		

2.

Dairy Multideck Cabinet for refrigeration and display Unit

It is ideal for displaying food products which need to be kept in a carefully controlled temperature environment.

Dimensions: 201 high by 119 long by 75.5cm wide

Item specifics - Restaurant & Catering

Type:	Refrigeration	Sub-Type:	Refrigerated Counters/ Display Units
Condition:	Used		

Zanussi Model, Double-Door Refrigerator/Fridge

Stainless Steel Free-Standing Refrigerator

Make/model: Zanussi 11144400 No. 060689

Dimensions: 144cm long, 78.5cm wide and 198cm high

(Leg height: 12cm included)

Double Door, Stainless Steel

Gross volume: 1300

50Hz

0580kg

Item specifics

Type:	Refrigerator	Brand:	Zanussi
Installation:	Free Standing	Condition:	Used
Colour:	Silver	Freezer Type:	Stainless Steel
Fridge Freezer Type:	Double Door	Type 2:	Double Door Fridge

4.

**Mini Cold Room (internal & external use)
Cam lock sectional system**

10' x 8'x7' single phase

Temperature range from -20c - + 5c

Hermekit Euromon 14 Refrigerant R502

Flat no-slip floor, internal light and emergency exit alarm

5

Fagor HMM 10/21

Width 40.6 x Depth 42.36 x Height 36.49

Net Weight :	214kg
Water inlet pressure P.S. I :	25 to 50
Power fan assisted operation:	24.3kw
Power steam:	18.3kw

6.

William Blast freezer/chiller WBF 10 10amps
Voltage: 380-440/50/3+N

1500mmw x 2620mm h
Freeze/Storage: -35 /-20 6150watts
Chill/Storage: -10/+3 10260watts

Features:

100% CFC free foam insulation throughout
Racks
Automatic defrost
Mullion door heaters
1.1 Kw fan
Blast freeze/chill selector button
Digital timer
Integral food probe
Audible cycle complete alarm
Digital air temperature thermometer
